Lunch corporate

We are pleased to present the following menus for your upcoming event.

These menus are design for drop off, but can be revised for full service.

Elegant Touch does have a liquor license so we can handle all of beverages needs also.

If you do not see something that quite fits your taste, feel free to create your own menu. There will be some station ideas on the last page.

Elegant Touch is chef owned, and that being said we take pride in presenting the highest quality food, and presenting it , in a eye appealing presentation.
